London German Rock & Roll

Es ist zweifelhaft, ob alle Schallplatten auch erschienen sind. Die unter Notiz mit „???“ gekennzeichneten Scheiben sind wohl nicht erschienen.

DL 20 111 ab dieser Nr. mit kleinem London Logo.
DL 20 359 soll angeblich die letzte mit TRI Kerben sein.

Bewertung

Anhand der Zahlen wird angegeben wie selten eine Single ist. Wobei die Angabe immer relativ zu verstehen ist. In Zeiten von EBAY ist es morgen möglich eine als sehr selten eingestufte Single günstig zu erstehen, es können mitunter auch Jahre vergehen bis man diese findet (wenn überhaupt!). Aus diesem Grund wurde auch explizit darauf verzichtet in dieser Diskografie Preisangaben mit anzudrucken. Diese sind meistens nicht sehr aussagekräftig aus beschriebenen Gründen. Die Bewertungen an sich basieren auf regelmäßigen Besuchen von Plattenbörsen, dem durcharbeiten von EBAY Aktionen und natürlich die langjährige Sammeltätigkeit von Dieter Sieck.. Mitunter werden diese im Laufe der Zeit ggf. angepasst. Es wurde versucht mit den Bewertungsziffern nicht inflationär umzugehen, aber gerade bei den frühen Singles sind mitunter einige wirklich rare Sammlerstücke vorhanden und es kommt hier des öfteren zu Bewertungen von 4 oder 5.

1
Sehr verbreitete Veröffentlichung; dürfte kein Problem sein, diese Single auf Plattenbörsen oder bei EBAY zu finden.

2
Nicht ganz alltägliche Veröffentlichung, dennoch sollte man die Single vor allem bei Ebay noch gut finden können.

3
Single in meist nur geringer Auflage, kann mitunter schon etwas länger dauern bis man diese zu Gesicht bekommt.

4
Hierbei handelt es sich schon um wirkliche Sammlerstücke, die auch nur mit Glück einmal auf Schallplattenbörsen oder bei EBAY zu finden sind.

5
Absolut rare Stücke mit geringsten Auflagen, welche selbst im Ursprungsland nicht bis gar nicht zu bekommen sind.
